MISSION AND VISION

Our institute aims to be an inclusive school devoted to enhancing differences:

- a school that WELCOMES;
- that RESPECTS everyone's learning needs;
- an EDUCATIONAL school, capable of promoting in students the skills required by the labour market and the development of creative and divergent thinking;
- an OPEN school, as an active community integrated into the real needs of the territory;
- a school for ACTIVE and DEMOCRATIC CITIZENSHIP, which enhances intercultural education, respect and dialogue;
- a CURRENT school, able to read the changes in the society where it is included.

Internazionalizzazione

Our institute offers students the opportunity to spend a period of study abroad within the Erasmus Plus programme, to carry out training and internship activities for students enrolled in the final years and recent graduates, as well as exchanges of good practices between teachers.
